

Stewards of God's Creation

GREEN Ideas You Can Use Each Day!

- 1 Turn off unused lights and electronic devices.
- 2 Recycle your paper, cardboard, aluminum and plastic.
- 3 Set your thermostat higher in summer and lower in winter.
- 4 Bring your lunch in a reusable container.
- 5 Turn off the water faucet when you brush your teeth.
- 6 Reduce the need for pesticides by cleaning up after you eat.
- 7 Use both sides of every piece of paper.
- 8 Walk, ride a bike, or carpool to school.
- 9 Use rechargeable batteries.
- 10 Take 4-minute showers.

I'm Philip the Bin!
And I'm brimming with
good news about how
YOU can take care of
God's creation!

God saw all that he had
made, and it was **VERY GOOD!**
Genesis 1:31

Remember the Three Rs

REDUCE

REUSE

RECYCLE

You care
for the land and
water it; you enrich it
abundantly. The streams of
God are filled with
water to provide the people
with grain, for so you have
ordained it. You drench its furrows and
level its ridges; you soften it with showers and
bless its crops. You crown the year
with your bounty, and your carts
overflow with abundance. The
grasslands of the desert over-
flow; the hills are clothed with gladness. The
meadows are covered with flocks and
the valleys are mantled with grain;
they shout for joy and sing.

Psalm 65:9-13
